BOOKING PROCEDURE

- Bookings are normally taken from Sunday to Sunday but provision can be made (due to availability) if you would prefer a different change-over day.
- You can also confirm a booking by letter, email or telephone.
- Once you have made a booking your requested dates will be reserved and a non-refundable deposit of 20% will be due. Please send this by cheque - details will be given at the time.
- When we have received your deposit, we will send you confirmation either by letter or by email - however you prefer.
- The remaining balance is due 6 weeks before the date of your booking.
- If there are less than 6 weeks to your holiday when you book then the full amount is due at the time of booking.
- Upon receipt of the deposit, we will send you a letter confirming the details of your booking, together with directions to the cottage and instructions for collecting the keys when you arrive.
- If you need to cancel your holiday once you have paid in full we regret that we can only refund the balance (apart from the 20% deposit) if we re-let Tigh Na Mara for the same dates. It may be possible to change your dates - please ask.
- We recommend that you take out adequate insurance to cover you in case of cancellation. We do not offer this service but it can be bought from most insurance brokers.
- If you do need to cancel your holiday please advise us either in writing or by email as soon as possible. This not only increases the chance of us being able to re-let the property but also of being able to return your money.
- We regret that it is not currently possible for us to accept payment by credit or debit card. We prefer payment by cheque and are also happy to accept postal orders.
- Tigh Na Mara will be ready by 4pm at the latest on the day of your arrival.
- In order to prepare the house for the next guests we kindly ask you to vacate the property by 10am on the day of your departure.

IMPORTANT!

Please be aware that access is gained to the house by crossing uneven ground. The distance is around 100 yards (90 metres) and may result in difficulties for some guests. There is also a stone bridge to cross a stream which is done at the guest's own risk.
